

CREATIVE CERAMICS FROM ISRAEL

KIBBUTZ KFAR MENACHEM CERAMICS

Craftsmen at Kibbutz Kfar Menachem work daily to produce the hand-made quality ceramics renowned in Israel and abroad. All the pieces are available in a wide range of colors and some even feature a unique hand painting. Certain lines may also be produced according to client design. Kfar Menachem Ceramics also includes a department for silk-screen printing and a special architectural department that produces ceramic murals.

Clocks and Wall Hangings

The Kfar Menachem line of clocks and wall hangings includes a creative range of pieces that enhance the decor in every home.

Each item has been carefully designed and produced by the Kibbutz artists and craftsmen. The clocks feature designs that include either standard, Roman or Hebrew numerals, and are equipped with a reliable, battery-operated time mechanism. The range also includes water flasks in different sizes, all hand-painted.
